## **Candidate Essentials for the Class of 2018**

Leadership Germantown seeks individuals with the commitment to improve the community and the skills to do so. The organization engages and develops its participants through a program of orientation and exposure to community issues, and then provides a framework to meet future leadership opportunities for Germantown.

- Applications need to be completed in full. All applicants should list and describe in detail community service experience or future goals for community service. This is an important part of the application process. Feel free to ask those that have recommended you to the program to review your application prior to submission.
- A head shot photograph of publishable quality and a brief one or two paragraph bio should accompany the application. If either is not available at the time of application, please notify Leadership Germantown for alternative accommodations.
- Application deadline is October 27, 2017 at 5:00pm.
